SECTION I

BOARD OF EDUCATION POLICIES

District Policies and Regulations

Parents/guardians should review and be aware of district policies and regulations which can be found on the Policies and Regulations section of the district website. Student email accounts are noted in the [AUP policy #2361](#) in the section titled "Individual Network Accounts for Pupils." The Affirmative Action policy is listed under [policy # 1140](#) titled Affirmative Action Program. Sexual Harassment policy is listed under [policy #5751](#) titled Sexual Harassment.

SECTION II

RIGHTS AND RESPONSIBILITIES

As a resident of Burlington Township and a student in Burlington Township High School, you have:

- 1. The Right to a free education** between the ages of five and twenty or until graduation from High School.
- 2. The Responsibility to comply with school rules and follow the courses of study**, submit to the authority of the teacher (Burlington Township Board of Education policy). Each person over five and under twenty years of age has the right to a free education through high school, subject to the education laws.
 - a. Until age sixteen, a student is compelled to attend regularly; "all the days and hours" school is in session. Failure to comply requires the school to bring charges against the parent in local court and against the student as a delinquent. If the parent is unable to make the student attend school, the student may be placed in a State reformatory at the discretion of the court.
 - b. A student, sixteen and over, cannot legally be compelled to attend school. However, if he chooses to attend school, he must comply with the rules of the school that requires regular attendance.
 - c. Students who withdraw or are dropped from school should arrange to take the General Educational Development (GED) tests in order to qualify for a State diploma.

'SUBMISSION OF PUPILS TO AUTHORITY'

“PUPILS IN THE PUBLIC SCHOOLS SHALL COMPLY WITH THE RULES ESTABLISHED IN PURSUANCE OF LAW FOR THE GOVERNMENT OF SUCH SCHOOLS, PURSUE THE PRESCRIBED COURSE OF STUDY AND SUBMIT TO THE AUTHORITY OF THE TEACHERS AND OTHERS IN AUTHORITY OVER THEM.” “ANY PUPIL WHO IS GUILTY OF CONTINUED AND WILLFUL DISOBEDIENCE OR OF OPEN DEFIANCE OF THE AUTHORITY OF ANY TEACHER OR PERSON HAVING AUTHORITY OVER HIM, OR OF THE HABITUAL USE OF PROFANITY OR OF OBSCENE LANGUAGE, OR WHO SHALL CUT, DEFACE OR OTHERWISE INJURE ANY SCHOOL PROPERTY, SHALL BE LIABLE TO PUNISHMENT AND TO SUSPENSION OR EXPULSION FROM SCHOOL.

The building level administration maintains the legal discretion to impose suspensions of ten days or less for good cause.

3. **The Right to pledge and salute the flag of the United States of America**, or to abstain from the pledge and salute on conscientious scruples.

The Responsibility to show respect for the United States flag or to stand respectfully

New Jersey law requires that each day, pupils salute the United States flag and repeat the pledge of allegiance. Students, who have conscientious scruples which prevent compliance with the law, are required to make these objections known to the Principal and “shall be required to show full respect to the flag while the pledge is being given”.

4. **The Right to freedom of expression**

The Responsibility to not coerce others or intrude on the rights of others during school hours (Tinker vs. Des Moines); refrain from writing and publishing material which creates hostility or violence, is hard-core pornography, or is libelous: (NJ State Board) refrain from taking a position on political candidates or issues in a general, local, or school election: distribute materials at times and places designated by the Principal (NJ State Board, BTBE Policy, #1140). The preparation, publication and distribution of newspapers, magazines, and other

literature is an exercise of freedom of the press. The freedom to express one's opinion goes hand in hand with responsibility for the published statement. Literature intended for distribution on school property is the responsibility of the author and of the school. A copy of the materials must be submitted to the Principal at least three days before its intended distribution. Material must be free of obscene, pornographic, immoral, and libelous content; must not attack any ethnic, racial, religious or political group; must not advocate a position on an election issue.

5. The Right to protection against unreasonable searches.

The Responsibility not to carry or conceal items contrary to New Jersey law, school rules, or that are detrimental to the school. Lockers are school property and are assigned to students as a matter of convenience. The school reserves the right to inspect the contents of lockers and to remove anything contrary to school rules (NJ Board: Overton vs. NJ). Students may only use the locker they are assigned. Student's automobiles parked on school property are subject to search, based on reasonable suspicion.

6. The Right to dress in accordance with personal and parental preference, as long as the attire conforms with BTBOE established dress code. Dress suitably for protection of health and safety; prevent interference with schoolwork; avoid causing disorder; and be modest (BTBOE Policy); wear your hair so as not to present a danger to health or safety or the health and safety of other students or create classroom disorder. For certain organized activities, the school prescribes the uniform, which must be worn by participants. Athletic coaches are authorized to prescribe regulations on hair length and style, not for appearance, but for health, safety and proficiency standards.

SECTION 504/ADA

1. Section 504 is an Act that prohibits discrimination against persons with a handicap in any program receiving Federal financial assistance. The Act defines a person with a handicap as any whom:
 - a. Has a mental or physical impairment which substantially limits one or more major life activities such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working;
 - b. Has a record of such an impairment; or
 - c. Is regarded as having such an impairment.
2. In order to fulfill its obligation under Section 504, the Burlington Township Schools recognizes a responsibility to avoid discrimination in policies and practices regarding its personnel and students. No discrimination against any person with a handicap will knowingly be permitted in any of the programs and practices in the school system. The school district has specific responsibilities under the Act, which include the responsibility to identify, evaluate, and if the child is determined to be eligible under Section 504, to afford access to appropriate educational services. Ann M. Britt is the District 504/ADA Coordinator. She may be contacted at 609-387-3955, ext. 2066 or via e-mail abritt@burltwpsch.org

LAB SCIENCE "OPT OUT" OPTION

STATE MANDATE – P.L. 2005, CHAPTER 266 (18A:35 AND C18A:35-4.25)

The Department of Education would like to make you aware of recent legislation allowing public school students to choose not to participate in certain experiments involving animals. Public may refuse to dissect, vivisection, incubate, capture, or otherwise harm or destroy animals or any parts thereof as part of a course of instruction. The law

requires schools to provide alternative education projects for those students who choose to “opt out” of these activities. Schools are required to notify pupils and their parents or guardians of a pupil’s right to decline to dissect, vivisect, incubate, capture or otherwise harm or destroy animals or any parts thereof as part of a course of instruction. Within two weeks of receipt of the notice, the law requires parents or guardians to notify the school of their desire to have their child exempt from participation and provided with an alternative education project.

For questions regarding requirements of the law, please contact Michael Heinz, science coordinator at 609-984-7453 or by email at Michael.Heinz@doe.state.nj.us. A copy of the law and a question and answer document are available at <http://www.nj.gov/bhded/aps/cccs/science/resources.htm>.

ASBESTOS HAZARDOUS EMERGENCY RESPONSE EMERGENCY ACT

The Burlington Township School District is in complete compliance with the Asbestos Hazardous Emergency Response Act. The asbestos management plan is updated annually and is available in the main office of each school and in the business office at the Burlington Township High School. The AHERA plan reviews inspections, response action and past response action activity regarding all asbestos-containing building materials in the school district. Questions regarding this plan can be directed to:

Nicholas Bice, Business Administrator/Board Secretary, at 387-3955

ACADEMIC INTEGRITY POSITION

The functions of the Academic Integrity Position are to communicate the meaning and importance of intellectual honesty to all students of the school; to articulate and support the interest of the community in maintaining the highest standards of conduct in academic affairs; and to identify and educate those who fail to live up to the stated expectations of the school community with regard to these standards.

1. Cheating:

In copying, a student is taking the work of another, either on homework or on a test, and claiming it as his/her own.

Cheating includes but is not limited to:

- a. Copying and or offering homework verbally, in written form, or by electronic means.
- b. Copying and/or offering answers on tests or quizzes verbally, in written form, or by electronic means.
- c. Bringing in and using unauthorized information during class time, including information stored in a calculator.
- d. Offering or receiving information under circumstances when information is not to be shared.
- e. Having anyone, including parents or tutors, complete assignments and submitting the work as one’s own.
- f. Presenting collaborative work as independent work and independent work as collaborative. (In group work, one person should not and will not bear the burden for the entire group assignment.)
- g. Copying answers from answer guides in texts.
- h. Fabricating or “fudging” data, information, or sources. Attempting to pass off made up material as the result of genuine efforts.

2. Plagiarism:

The act of plagiarism may include direct copying, but it may also be more complex than verbatim repetition. A student, in preparing a project for a class, will have plagiarized if he/she has taken information from sources without citing what sources were used. Plagiarized material may appear in a student’s paper as word-for-word copying, a summation, or a paraphrase of another’s ideas. A student has plagiarized whether the material from another source has been taken in whole or in part. In effect, by not naming the source, the student is claiming the work of another as his/hers.

- a. Submitting images and/or documents in whole or in part from the Internet without citation of the source(s).

- b. Copying another's work.
- c. Using another's ideas without proper citations.

CRISIS INTERVENTION

The New Jersey Youth Helpline, 2NDFLOOR, is a toll-free, anonymous and confidential helpline available 24 hours a day, 7 days a week, 365 days a year to all New Jersey young people, ages 10 to 24. Youth can call 2NDFLOOR at 1-888-222-2228 to speak with professionals and trained volunteers who listen attentively, non-judgmentally and compassionately to issues and problems they are facing. Visit www.2NDFLOOR.org for more information and try the message board.

SUMMER ONLINE CLASS SUPPORT

To receive credit for a course that a student failed during the school year, students must register for online classes through Educere's credit recovery program. Educere is an online provider of 100's of courses that meet the New Jersey state requirements for high school credit. Students take these courses online at their own pace. There is a cost involved per course that is paid directly to Educere. The high school may provide an open computer lab during the summer program with staff that can assist students in accessing the courses. There are no subject specific teachers available in the computer lab. Final exams must be taken at the high school under direct supervision. Information on this program will be available in May of each school year.

SECTION III BEHAVIOR MANAGEMENT

PHILOSOPHY

At BTHS, student management is based on the premise that learning responsible behavior is an integral aspect of the teaching/learning process. Effective discipline is viewed as an extension of the educational program. An effective student management model teaches students responsibility and self-discipline, nurturing the feeling that BTHS is an exciting place to teach and learn. Effective student management occurs in classrooms, hallways, lavatories, the cafeteria, the media center, on field trips, at athletic/social events, on buses, bus stops, anywhere on school grounds, or at school sponsored activities. Effective behavior management requires the effort and involvement of the stakeholders (students, parents, and teachers, vice-principals, counselors, support personnel, and principal).

CLASSROOM MANAGEMENT

Student behavior management problems are most effectively solved by the stakeholders. A critical component of any behavior management model is early intervention with parents. In establishing effective classroom discipline, teachers and parents must interact directly with each other and with the student to communicate and implement consequences and behavior management plans. The goal of the BTHS professional staff is to work with students and parents to change patterns of inappropriate behavior and promote positive expectations that enhance the

teaching/learning process. It is the critical function of the stakeholders to work together to mediate disagreements when communications and implementation breaks down.

The purpose of the grid below is to provide guidelines for the administration to follow in assigning disciplinary actions that are consistent and fair in enforcing the **Code of Conduct** for our school. Please Note:

Administrative Detention (ADET): Administrative Detention (ADET): Students are expected to serve their Administrative detention hours when assigned. Students have two options for serving their detention hours. They may attend from 6:45 AM to 7:15 AM. in room B6 on Monday through Friday mornings (this counts as one hour of detention) or during the **student's lunch and advisory** period. Students must bring enough schoolwork to do for the entire period. All school rules are in effect (no use of electronic devices, dress code, etc.) Students who do not attend ADET because of absence to school must attend administrative detention the next day it is held. Students who fail to serve their detention when assigned will be assigned an ISS.

In School Suspension (ISS): Students must report to the Hopkins building main office by 7:20 a.m. on the day the suspension has been assigned. Students should bring all books and work for the day with them. Lunch will be eaten in the ISS room. All school rules are in effect (no use of electronic devices, dress code, etc.)

Cutting is defined as not attending an assigned class, advisory, lunch, or any other assignment without the PRIOR permission of the teacher to whom the student is assigned. Students sent home by the nurse or administrators do not need prior permission from a teacher.

Insubordination and/or Disregard of School Authority means a student not doing what is asked of him/her by a staff member. If there is ever a question about following the directions of a staff member the student should comply and request an appointment with a Vice Principal to discuss the situation.

A progressive set of consequences for those students who interrupt the teaching-learning process includes: teacher

detention, administrative detention, placement in Saturday Detention, In School suspension, and Out of School suspension. Parents will be notified in writing of all consequences resulting from behavioral infractions excluding administrative warnings. Classroom and school rules, regulations and consequences are not intended to be applied in a lock-step approach. This model does not remove teacher/administrator judgment and discretion from the process. Certain behaviors (fighting, possession of/threat of weapons, gang related activities, possession/use of drugs or alcohol, etc.) pose a clear and present danger to staff and students. These antisocial and illegal behaviors require swift administrative response aimed at removing the student from the school.

STUDENT IN GOOD STANDING PROGRAM

Burlington Township High School supports privileges for students who have demonstrated appropriate behavior, met all financial obligations and turned in all required documents throughout the school year. Students must meet the eligibility requirements below to participate in *athletics or clubs* or attend any school sponsored function, activity, dance or prom, as a guest or member of the class, and any trips, including project graduation. The eligibility criterion below is cumulative for the school year. All students are considered in "Good Standing" at the beginning of each school year. *Exception: See discipline.

1. Discipline:

- a. Students who receive 20 discipline points will no longer be in good standing and are not able to participate or attend school events.
- b. Students may eliminate discipline points by completing approved community service activities. This must be approved in advance by the appropriate administrator. For every hour of service completed, 1 point will be removed. Community service must be completed after the infractions and cannot be accumulated beforehand. Students may only complete 51 hours of community service during the academic year.
Students who have accumulated 72 discipline points cannot regain their student in good standing status.
- c. Any athlete who is suspended is ineligible to participate in sports for for the same number of weeks as the assigned suspension, even if the athlete has regained good standing status. (Example: 1 day suspension will result in a week of no athletics; a 5 day suspension will result in 5 weeks of no athletics)

2. *Obligations

All obligations must be met prior to the date of the privilege or event, including but not limited to the following:

- a. Library Books
- b. Text Books
- c. Athletic Equipment/Uniforms
- d. Graduation Fee (by January of their senior year; Graduation Fee funds the following activities: graduation and project graduation)
- e. Lunch Accounts/Charges

Please Note: There are no refunds for monies paid for the senior class trip and class prom if a student is not in good standing at the time of the event.

3. *Documents

All required documents must be returned to school prior to the date of the privilege or event, including but not limited to the following:

- a. InfoSnap information completed
- b. Student-Parent handbook acknowledgement forms

*Once all obligations are met and/or all documents are returned to the school, the student will regain his/her good status in the program and will be permitted to participate immediately in any extracurricular activity or event.

Students who are not in good standing at the time of athletic tryouts may still participate in the tryouts; however, they may not participate in interscholastic sanctioned competition until they resume their status of a Student in Good Standing. Any student questioning his/her status in the Student in Good Standing program must submit an appeal form to the Principal five days before the activity/event. Appeal forms will be available in the main office, student activities office and guidance office. Also, appeal forms are available on the high school's web page.

STUDENT RECOGNITION

Burlington Township High School believes in a culture of respect for staff and students. Recognition is given by the staff and administration when appropriate.

SUSPENSIONS

It is the responsibility of the student to make arrangements with his/her teachers to make up the work missed from class due to suspension, as stated in the Burlington Township Board of Education Grading Policy, during a period of suspension, the student loses all privileges connected with class or school. Students may not attend club meetings/activities nor participate in or be a spectator at any athletic event or contest involving a school team, either at home or away while suspended out of school. The period of out of school suspension begins when the student is informed of the suspension and ends when the student returns to class. Any such student attempting to attend an event will be immediately removed and result in an extension of the suspension. All infractions resulting in the assignment of an out of school suspension will be cumulative throughout the current school year. The exception will be those infractions related to fighting, weapons, drug related offenses and smoking, which will be cumulative throughout the student's high school career. For example, if a student is involved in a fight in his/her freshman year, and two fights in his/her sophomore year, he/she will be issued a third offense disposition for fighting. On the student's next altercation, even if this is in the student's senior year, the student will be issued the disposition for a fourth infraction.

Dispositions for those infractions resulting in an out of school suspension will be as follows:

1st offense	OSS	Parental conference with Vice-Principal
2nd offense	OSS	Parental conference with Principal or designee
3rd offense	OSS	Parental conference with Superintendent may be required.
4th offense	OSS	Hearing before the BOE may be required upon return to school.
Dispositions for fighting/assaults will be as follows:		

1st offense:	5 days OSS	Parental conference with Vice-Principal. Meet with Student Assistance Coordinator.
2nd offense	7 days OSS	Parental conference with Principal. Additional counseling may be required by the SAC.
3rd offense	10 days OSS	Parental conference with Superintendent. Additional outside counseling may be required.
4th offense	OSS	Referral to Board of Education.

The administration reserves the right to extend suspensions based on the severity of the incident. The SRO (school resource officer) will be notified of all incidents and charges may be filed.

STUDENT MEDIATION

BTHS has instituted a student mediation program as a vehicle to assist students in solving conflicts. The goal of mediation is to assist all parties in reaching a mutual agreement. Students participate in mediation strictly on a voluntary basis. Procedures for mediation are as follows:

1. Self/Student Referral

- A. One or both completes a mediation request slip available through the guidance department.
- B. Each party is asked if he/she is agreeable to participate in the mediation.
- C. If an agreement is obtained from both parties, two peer mediators will be selected to mediate the issue.
(Facilitated by Guidance Counselor and/or Vice Principal)
- D. Mediators and both parties will be notified of the time and place of the mediation.

2. Staff Referral

- A. Staff member completes a mediation request slip available from the guidance department.
- B. Both parties will be contacted to determine their willingness to participate.
- C. If an agreement is obtained from both parties, two peer mediators will be selected to mediate the case.
(Facilitated by Guidance Counselor and/or Vice Principal)
- D. Mediators and parties will be notified and given a pass.

Every attempt will be made to conduct mediation during the involved parties' Advisory/Lunch period. Any time a parent becomes aware of a conflict between their child and another student, the parent should contact their child's guidance counselor to recommend a possible mediation occur. The counselor will then process a request form and submit.

SECTION IV

SCHOOL REGULATIONS AND PROCEDURES

ATTENDANCE

There are a variety of things parents can do to help their children develop good attendance habits. We realize some absences are unavoidable due to health problems or other circumstances. However, when students miss too much school (regardless of the reason), it can cause them to fall behind academically and struggle socially.

5 Tips for Improving School Attendance

1. Remember that good attendance benefits your child's education. Students who miss a day of school not only miss instruction, but they must make up work and catch up with the new material at the same time.
2. The bus is a consistent way to ensure your child arrives at school in a timely manner. Arriving late can be disruptive for your child, the teacher, and other children in the class. Students are expected to be at the bus stop 5-10 minutes before "pick-up" time.
3. Try to schedule doctor and dentist appointments in the beginning or end of the day so that your child will only miss part of the day. When possible, try to schedule these on days when school is closed.
4. Remember that there are 180 school days out of 365 total days in the year. Families are encouraged to take vacations during summer vacation or during other extended school breaks.

If there are underlying reasons why your child is not coming to school (school phobia, relationships with peers, academic difficulties, transportation, medical reasons, etc.), please make us aware of the issue(s). We would like to be as proactive as possible in assisting in any way we can.

- The New Jersey Department of Education defines "Chronic Absenteeism" as not being present in school for 10% (18 days) or more of the days in session.
 - End of marking period 1 - 5 days or more
 - End of marking period 2 - 9 days or more
 - End of marking period 3 - 14 days or more
 - End of marking period 4 - 18 days or more
- In order for students to learn and achieve their fullest potential, it is critical that they are in school and engaged in the learning process.
- Research shows that chronic absenteeism is a primary cause of low academic achievement and a powerful predictor of a student's risk of dropping out of school.
- The first month of the new school year is crucial to good attendance practice. According to a study (Baltimore Education Research Consortium, 2012), half of all students who miss 2 to 4 days of school in the first month will go on to miss nearly a month of school in excused or unexcused absences.
- According to the same study, 9 of 10 students who missed 5 or more days in the first month went on to be chronically absent for the school year.
- In another report, "Absences Add Up" (Attendance Works, 2014, p.1), the following is stated:

"At every age, in every demographic, and in every state and city tested, students with poor attendance scored significantly lower on standardized tests. In our schools, this translates into weaker reading skills, failing grades, and higher dropout rates."
- The New Jersey Department of Education has adopted attendance regulations (N.J.A.C. 6A:16-7.6) that require each board of education to develop, adopt, and implement policies and procedures regarding the attendance of students.
- The Burlington Township School District recognizes the following absences as excused: take your child to work day, religious observance, medical with a doctor's note that the child was seen by the doctor, college visitation, legal matters as evidenced by court documentation, and observance of Veteran's Day.

- All other absences will count as unexcused including parent notes or phone calls. Students are allowed 6 unexcused absences before experiencing potential impact on grades and credits earned for all classes.
- Given the high academic standards and expectations set for Burlington Township Middle School at Springside students and the public policy of the State of New Jersey which requires maximum school attendance and the provisions for make-up work following absence, students may lose credit due to excessive absences from class.
 - Students are permitted 6 unauthorized absences from a semester course, 3 from a quarter course, and 12 from a full year course without penalty.
 - For each unauthorized absence in a course beyond the allotted days, students will lose credit for any assessments conducted that day. The student is responsible for any information that was missed on these days, even though credit will not be awarded. Future assignments and assessments may require the student's knowledge of this material.
 - A student must provide documentation to authorize an absence. This documentation must be submitted to the Attendance Office within 2 days of the student's return from an absence. If documentation is submitted after the 2-day requirement, the absence will be unauthorized. An appeal may be submitted to the Principal in such cases when extenuating circumstances interfere with the 2-day requirement. Appeal requests may also be submitted in advance. Absences for the following reasons are considered authorized with the stated documentation provided:
 - Policy 2624.3: A student who has been absent from class is responsible for making up class work which has been missed for all classes including physical education. Upon return to class, arrangements should be made with the teacher to make up all tests, quizzes, homework, discussions, projects, and laboratories. Class participation may be made up through a conference with the teacher and may require additional time on a period for period basis outside the regular class period. Make-up work should be completed within five days of the absence(s). Report card incomplete" will not be carried beyond one marking period.

1. Each student enrolled in the High School is required to attend school and classes regularly, all days and hours school is in session. Students must be present in school for four hours to be counted as present for a full school day and to participate in after school activities.
2. A student under age sixteen, who fails to attend regularly, and his parents, may be proceeded against as provided for in title 18A:38-27, 28, 29, 30 and 31.
3. A senior must be present on the day before going on the Senior Trip.
4. A student who is absent excessively, claiming medical reasons, may be excluded from school on medical grounds (18A:40-7) until the medical cause is removed (18A:40-9).
5. As soon as an extended illness is apparent, a doctor's note should be submitted to the nurse. The Main Office will facilitate the arrangements for home instruction. Home instruction exempts the student from the class participation grade.

For further information on home instruction, see Grading Policy, Section II

6. Students are responsible to check with teachers each marking period to insure that they do not have excessive absences and lateness.

LEAVING THE BUILDING DURING THE SCHOOL DAY

1. Students 18 and older must present a note from a parent/guardian to the attendance office prior to 1st period on the day that they need to leave early. The note must include a daytime phone number of a parent/guardian we can contact for verification.
2. For students 17 and under, a parent (or emergency card designee) must come and sign the student out. If the parent does not comply, the student will not be permitted to leave school for any reason. If a parent does not want a 17 year old senior to sign themselves out of school, a note should be provided to the school. **A parent must show ID when signing his/her child out of school.**
3. Student drivers who leave school grounds without permission may have their parking privileges revoked.

Any student who needs to leave the building during the day must do so through the main office. No student has permission to call a parent, guardian, relative, friend, etc. on his or her own cell phone for the purpose of leaving the building during the school day. No student, under any circumstance, is to leave the building without signing out in the front office.

TRUANCY

1. Any student absent from school for all or any part of the school day, without parental/guardian authorization will be considered truant.
2. Absence from school must be verified and authorized by a telephone call to the Attendance Office at (387-1713, ext. 1036) from the student's parent/guardian the day of the absence.
3. If the school is unable to verify that the student was absent with the authorization of his/her parent/guardian, the absence will be considered a **full day truancy**.

TARDINESS TO SCHOOL OR CLASS

1. Burlington Township High school opens to students at 7:05 a.m.
2. Students are expected to enter the building immediately upon arrival and report to their period 1 classroom.
3. Any student not in their period one class by 7:20 am or who arrives to school after 7:20 am is late and must sign in with the **Attendance Officer** located in the Main Office in the main building or in the main office in the Hopkins building, depending upon the student's first period class, to receive a late pass for admittance into class.
4. Each teacher will maintain accountability for lateness to class throughout the entire day according to the following guidelines:
 - a. 1st and 2nd offenses – teacher warning
 - b. 3rd and 4th offense – teacher phone call to parent/guardian
 - c. 5th offense and all subsequent lateness will be referred to the VP.
5. Seniors who are chronically late to school and are parking on property will receive the following consequences:
 - a. 10th late to school - 1 week suspension of parking
 - b. 15th late to school - 2 weeks suspension of parking
 - c. 19th late to school - loss of parking spot for remainder of school yearLates are cumulative for the school year, not based on semesters.

CLASS ATTENDANCE

Missing a class or part of a class without prior approval of the teacher in charge is considered a cut. Students assigned to classes that meet on rotating schedules are responsible to attend these classes as scheduled.

BEFORE/AFTER SCHOOL HOURS

Burlington Township High School opens to students at 7:05 a.m. All students are to enter the building immediately upon arriving to school. After dismissal, students are to report directly to their bus or a teacher. Students are not to wander the halls. A bell will ring at 2:15pm, signifying the beginning of all after school activities (including athletics). At this time, **all students** should be in their assigned after school location or be leaving the building. Any students in the building after this time without permission will be placed in the detention room and receive discipline consequences. Students not under the direct supervision of a teacher and who are waiting for the Activity Bus or a ride home are to wait in the main office foyer area. The high school office closes at 3:30 p.m. Monday through Thursday. All students remaining after school must take the 4:00 p.m. activity bus or must be picked up no later than 3:15 p.m. There is an activity bus on Tuesdays, Wednesdays and Thursdays; therefore, all students must leave the building at dismissal. With availability on the activity bus being limited, only those students who are under the supervision of a teacher will be allowed on the activity bus. (The only exceptions to this rule are athletes under the supervision of their coaches.)

BUS REGULATIONS

“For safety and security purposes, school buses in the Burlington Township School District may be equipped with audio and video recording devices. These devices will be mounted in plain view of the students. All tapes are subject to review by school officials.”

Previous to Loading (on the road and at school):

1. State regulations require that students are only authorized to ride the bus assigned by the district transportation coordinator. Riding or attempting to ride an unauthorized bus will result in a disciplinary action.
2. Be on time at the designated bus stop (five minutes early is suggested). This helps to keep your bus on schedule.
3. Stay off the road at all times while waiting for the bus. Bus riders must conduct themselves in a safe manner while waiting.
4. Wait until the bus comes to a complete stop before attempting to board the bus.
5. Be careful in approaching bus stops.
6. Bus riders are not permitted to move toward the bus at the school loading zone until the buses have been brought to a complete stop.

While on the Bus:

1. Keep hands and head inside the bus at all times.
2. Assist in keeping the bus safe and sanitary at all times.
3. Remember that loud talking and laughing or unnecessary confusion diverts the driver's attention and may result in a serious accident.
4. Treat bus equipment as you would valuable furniture in your home.
5. Bus riders should never tamper with the bus or any of its equipment.
6. Leave no books, lunches or other articles on the bus.
7. Keep books, packages, coats and other objects out of the aisles.
8. Do not throw anything out of the bus window.
9. **Bus riders are not permitted to leave their seat while the bus is in motion.**
10. Horseplay is not permitted around or on the bus.
11. Any student vandalizing or damaging a school bus will not ride the bus for the remainder of that school year.
12. No eating or drinking while on the bus
13. If seat belts are provided, please use them at all times.

After Leaving the Bus:

1. Pupils who must cross the highway to reach their destination shall cross in front of the stopped bus after the driver has verified that the warning lamps are operating and has told them that it is safe to cross. Caution is especially necessary on stormy days.
2. Help look after the safety and comfort of younger children.
3. Be alert to the danger signal from the driver.
4. The driver will not discharge riders at other places than the regular stop at the home or at school unless by proper authorization from school officials.

Smoking on the Bus:

You are reminded that smoking is prohibited while you are under the jurisdiction of the school: in school, on school grounds, at the bus stop waiting for a bus, when you are on the bus, and while you are exiting the bus.

Disregarding Bus Regulations:

Students who are eligible for public school transportation are subject to the authority of the bus driver. The privilege of riding the bus will also be revoked (suspended) for misbehavior on the bus or at the bus stop.

Activity Bus

All students riding activity buses will receive bus passes from their teachers. Students are to give their passes to the bus driver as they enter the bus.

Students Requesting To Go Home With Another Student on a Temporary Basis:

1. Students requesting to ride to and from school with another student must attend the same school.
2. Students must bring in a **note from both parents/guardians** with a valid phone number requesting the change in transportation. Vice Principals or their designees shall do verification of the notes.
3. After verification is made and there is sufficient room on the bus, the Vice Principal will present a bus pass to the student.

CAFETERIA LUNCH POLICY (POLICY #N3542.1)

The Burlington Township School District is a member of the National School Lunch Program. As a member, it must abide by all policies and procedures established by the National School Lunch Program.

LUNCH PURCHASES – Each cashier, at the point of sale notates the number of lunches sold and receives payment accordingly. There are three ways a student pays for lunch:

1. Cash - cost of lunch **\$1.60**, or a la Carte
2. Cash – cost of lunch **\$ 2.80**, or a la Carte
3. Lunch tickets:
 - a. Free and Reduced – Each year forms are sent out by the schools to every household to see if they qualify for these lunches. If the family does qualify the student is provided a pin number and account credit according to his/her qualifications and entered into the system (controlled by the school).
 - b. If a computer point of sale system is used, a student can prepay a dollar amount with their respective account to be debited at the point of sale.
4. Charged lunches – If a student has forgotten his/her money to purchase lunch, they are permitted to charge his/her lunch. This also includes students on reduced lunches. Students will only be permitted to charge up to a maximum of three lunches (3 x cost of a type “A” lunch) at any given time. If students maximize this credit balance and attend school without a lunch, the student will be sent to the school main office to call the parent to request the parent to deliver a lunch to the school or lunch money.

Snack/A La Carte Purchase Option Opt-Out

We are excited to announce that, starting in the 2018-2019 school year, students at Burlington Township High School, Burlington Township Middle School, and Fountain Woods Elementary School will have the option to purchase snacks and a la carte items [using their student pin account](#).

Please take a few moments to speak to your child about this new option. We do not want parents to be surprised when their child(ren) purchases snacks and a la carte items using their student pin account. We recognize this may decrease your child's account balance more quickly and wanted to ensure parents were aware. Be reminded that this is the same account from which students pay for their lunches.

The option to purchase snacks and a la carte items using their student pin account will be offered to all Burlington Township High School, Burlington Township Middle School, and Fountain Woods Elementary School students, unless you actively opt your child out. [Click here to access the Google form to OPT-OUT](#). If you have more than one child, you should submit the form separately for each child that you wish to opt out.

Here are a few points of clarification regarding this new option:

- We will not allow a child to purchase snacks or a la carte items using their student pin account unless there is enough money in the account to cover the cost.
- Be reminded that this is the same account from which students pay for their lunches.
- If a parent chooses to restrict their child, their child will not be permitted to purchase snacks or a la carte items unless the child has cash.
- If a parent completes the opt-out form and changes their mind at a later time, the parent must contact the school cafeteria at cafeteria@burltwpsch.org to have the restriction removed.
- Parents have the ability to control their settings in the LunchTime Portal. Take time to control how funds in your child's account are replenished and notifications regarding low balances. Please review your settings.

The cashier reports are completed daily and then given to the cafeteria manager with the money to be deposited. The manager deposits the money on the same day received. 1. The cafeteria manager will be responsible to report all student accounts receivables to the building principal on a weekly basis.
