Spring, 2017

Dear Parents/Guardians of Current 5th Grade Students:

This is to inform you that the New Jersey Department of Health and Senior Services (DHSS) requires the following vaccinations for students entering Grade 6 in September of 2016:

Every child entering grade six on or after September 1st must receive one (1) dose of Tdap (Tetanus, diphtheria, acellular pertussis) given no earlier than the 10th birthday.

Children that received a Td booster dose less than five (5) years prior to September 1st are not required to receive a Tdap dose until five (5) years after the last DTP/Dtap or Td dose.

Every child entering or attending Grade 6 on or after September 1st, must receive one (1) dose of a meningococcal vaccine.

Students must provide documentation of these immunizations by the beginning of school in September 2016. Therefore, we are requesting that your Primary Care Provider complete the form below and return to the Health Office at Burlington Twp. Middle School at Springside or Fountain Woods School at your earliest convenience.

If you have any questions regarding these requirements, please feel free to contact me. Thank you for your cooperation in this matter.

Sincerely,

Nancy Andorko, RN
School Nurse

Student Name: _____

Date: _____

Teacher: _____

Age: _____
