

Denise P. King, Ed.D.

Teaching, Learning, and Achieving Excellence!

I am elated to be able to serve the Burlington Township School community. As the principal of B. Bernice Young School, my philosophy is founded on my passion as an educator. As an instructional leader, I am committed to building student character and heightening student achievement. My fundamental belief is that every student can and will succeed when provided with the necessary tools for development. My goals include providing a nurturing professional learning community. In order to plan, prepare, and promote quality teaching, learning, and achievement for all students and staff. I love what I do, as everyday always brings forth challenges, joy, a pride in the seeing the growth and success of children and much laughter!

As an instructional leader:

- I love to see children express their talents and soar to reach their dreams.
- I believe in active collaboration with teachers, parents and community partners to ensure we support an effective learning environment for our youngest learners.
- I believe in the use of technology to stimulate and share in distance learning.
- I believe authentic communication is the key to growing productively and problem-solving.
- I believe in fairness, consistency, and nurturing to promote character building.
- I believe in a safe, orderly, and positive school climate to produce an effective learning environment.

Experience:

2005 – Present	Principal, B. Bernice Young School
2003-2005 -	Vice-Principal, Burlington Township (Fountain Woods School)
2000-2003 -	Vice-Principal, Willingboro School District (Memorial Middle School)
1991-2000 -	Teacher, Camden City School District (Elementary)

Personal:

- Joyfully married and a mother of three young men, we live in Burlington Township
- I love reading, swimming, traveling, and the sounds of laughter and quiet *me* time :)
- I love dancing at family reunion gatherings, cooking and sharing delicious homemade food!

I am an avid sports fan: “Go Eagles” and “Go Phillies” and you will often see me at the BTSD games with my family cheering for the Falcon win!
