First & Second Grade - Back to School Night

Please feel free to bring a nonperishable food item to help with our September Community Service Project - Support the Food Pantry

September 12, 2016

Dear First and Second Grade Parents,

On **Tuesday September 20th** we look forward to welcoming you to our Back to School Night. This will be an opportunity for the parents/guardians to learn more about our outstanding programs and activities provided for our students. Please note: This event is planned for parents/guardians. Due to limited space children should remain at home with their favorite childcare provider. Childcare will not be available at school during this event. General information will be shared with all parents - this is not a venue to discuss how individual children are performing in class. Parent Conferences will be scheduled during the first trimester. Thank you in advance for your cooperation and understanding. Please follow the schedule as outlined:

6:00 PM - First Grade parents will go directly to the classroom.

7:00 PM - Second grade parents will go directly to the classroom.

- **Please also feel free to visit Enriched Learning teachers (art, music, computers, physical education / health), nurse, counselor and child study team members.**
- **Community partners will be on site to share township activities and events.**

Backpack Check – Go Green!

YS will provide many informational memos to students via their backpack. Our goal is to send home limited notices to help parents prepare in advance for many upcoming events. The items sent home will also be available on the YS website under Electronic Backpack. **Go to www.burltwpsch.org**, click on the picture of Young School, and click on ENews icon to register for the Electronic Backpack which provides the latest updates. We hope this helps to improve our home-school communication connection and welcome your input.

As always, thank you for your continued partnership.

The Burlington Township School District will develop the intellectual, creative and social potential of each child through an active partnership with all members of the community.
